OBJECTIVE

As someone with a deep passion for Japanese culture, I'm currently working as an IT Comtor while teaching myself Java backend development. My ultimate goal is to become a BrSE, and I'm eager to continue learning and growing in my career.

I am a quick learner, a team player and always up to learning new things and improving my current skillset. Aiming to leverage proven communication, language, and teamwork skills to successfully fill the Fresher roll at your company.

SKILLS

Programming Language

Java Core, JavaScript, TypeScript
HTML5, CSS3

Libraries

ReactJS, NextJS
Bootstrap, SASS, Material-UI, ...
